Dear All,

April is often marked by brighter skies and signs of new life. The long reflective weeks of Lent are drawing to an end and soon we will once again mark the wonderful mysteries of Easter with glad Alleluias! In this season faith and hope call us onwards to the cross and towards an empty tomb. In this Spring season the joy of new life is shown all around us, we see lambs and flowers and green shoots, this got me wondering where we see those signs of life in our lives and in the life of our churches?

I'm often struck at my/our lack of faith and the way we often fail to embrace the new life offered to us. Instead of embracing it we all too often cling to how things have been, rather than learning from our gospel story of death leading to new life. In the record of the first Easter Jesus tells Mary not to cling to him, it might at first seem rather harsh, after all she is so excited to see her risen Lord! But Jesus is saying '*this is not the end... there is more*'. At Easter, Jesus shows a different way; shows how servanthood proclaims glory, reminds us that with God amazing things are possible, even things we dare not dream. So, as disciples today we are encouraged not to cling to how things are, or have been, not to concentrate on what has been, but to look and work for what might be. We are called onwards from death to new life. So let us not cling to what has been but embrace the new life of this season and look to what can be.

At the end of this month, I will begin my sabbatical leave and conclude my ministry here in the circuit. I'm sorry that it has been a shorter time than many would hope, but it has been a privilege to share with you on this little part of life's journey. I am confident that God will continue to be with you (and with me) in all that life holds. I am also confident that God has plenty more in store for us all and just as the Easter story is not an end, but a new beginning let us remember our Easter hope that continues to burst forth offering good news and new life.

God's peace, joy and hope be with you all!

James

*Christ is alive! Let Christian saying. The cross stands empty to the sky.
Let streets and homes with praises ring. Love drowned in death shall never die.*

*V5 Christ is alive and comes to bring good news to this and every age,
till earth and sky and ocean ring with joy, with justice, love, and praise.

Eco Tips

Celebrate new life this Easter and have a go at growing something! April is the perfect time to try to grow something edible or, if you are a seasoned gardener, to encourage someone else to try. Salad leaves or herbs are a great place to start and will reduce your reliance on those oh-so-convenient supermarket salad bags. For indoor space, try 'micro-greens' (vegetable leaves harvested soon after they open) For greenhouses, try sowing salad leaf seed mixes. For outdoors, beetroot, lettuce, onion and pea plants are frost-resistant so can all be planted outside in April. As you sow, thank God for the opportunity to grow food, and pray for those communities that are facing food shortages and famine.

Can you or your church give more to Foodbank?

I am aware demands on our goodwill giving becomes greater and greater as times are hard for all. However I am appealing for help once again.

Newcastle Foodbank has given **three days food supply** to **5820 adults** and **3088 children** in the **past twelve months**, which equates to **68,992 kilogrammes of food** providing **164,267 meals**.

At the moment we have 66 organisations on our system who refer clients to us, having determined them as someone in crisis. **No one is given food without that assessment.**

£40,000 was spent on buying food in the past twelve months to supplement your generous donations. **Sadly this is not sustainable long term, hence this appeal.**

Would you consider giving one item a week to help us to help those less fortunate than ourselves?

Or, if it is more convenient to you, can you help us financially on a regular or one-off basis?

We would love to hear from you if you want to know more.

I leave you with a few ideas as to what you may be able to contribute

Items we are short of include:

Bags for life

Pasta sauce

Tinned fruit

Tinned tomatoes

Tinned vegetables

Tinned ham

Rice sachets (microwavable)

Tinned soup

Washing up liquid

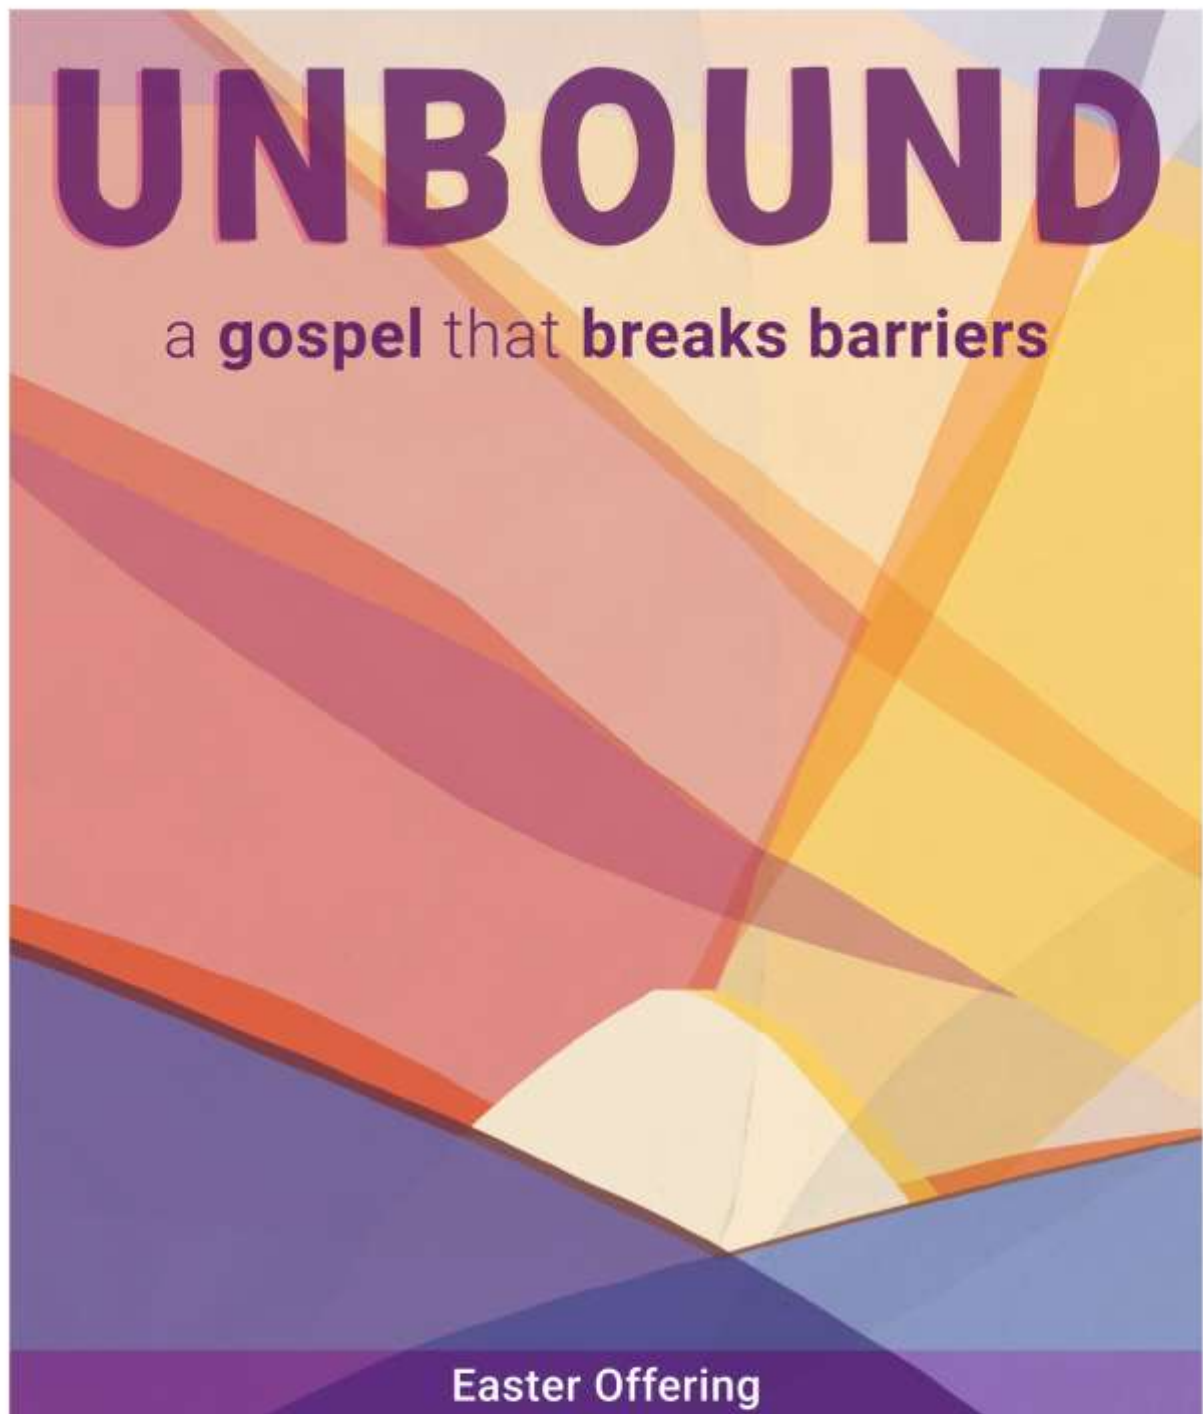

I can guarantee your contribution will be used wisely and be much appreciated.

Take care and look after yourselves too. If you would prefer contact details for our warehouse team I can supply them.

Thank you
